

DYLAN FOX

Production & Graphic Designer

EXPERIENCE

Graphic Designer & Owner (2015 - PRESENT)

DYLAN FOX DESIGN · NJ, NY, PA

- Responsible for all aspects of business from start to finish, including finding and conferring with clients, contracts and billing, concept and design
- Types of projects include logos, branding, web, apparel design for varying genres of business

Lead Production Designer (2021 - 2023)

SUNRISE SIGNS · GLOUCESTER CITY, NJ

- Created and lead Quality Control team: created and implemented all QC processes and guidelines for design and production departments, resulting in an overall decrease in errors requiring reprints
- Edited and converted completed designs to print/cut production files (pre-press), taking into account material usage, color accuracy and consistency, graphic placement and alignment for real-world application
- Responsible for execution of all steps in the production process including scheduling, price quoting and billing, file setup and organization, large-format printing, lamination, contour cutting, finishing, shipping, inventory, and purchasing

Digital Production & Graphic Designer (2020 - 2021)

JBALDWIN WATCH CO. · PHILADELPHIA, PA

- Converted jewelers' designs and sketches into digital proofs used for production in 2D and 3D
- Designed, created, and maintained business website
- Contributed to branding, including logo design; maintained consistent branding across all platforms

Graphic Designer (2019 - 2021)

HI-LINE MERCHANDISING · SHOEMAKERSVILLE, PA

- Designed graphics for all kinds of merchandise (apparel, posters, accessories, household goods) to be printed using a variety of production processes (screenprinting, embroidery, dye-sub, DTG, enamel pins) including file setup for all processes
- Produced high-quality designs for all clients, from lesser-known brands and entities to nationally-recognized musical artists and events

Graphic Artist (2017 - 2019)

CLEARCUT DIE WORKS · PENNSAUKEN, NJ

- Oversaw coworkers' completed projects for quality, providing constructive feedback; trained new hires to adhere to company quality guidelines
- Duplicated, reworked, laid out, prepped, and processed customer-provided graphics to be flexo-printed on corrugated packaging, according to varying specifications
- Responsible for simultaneous completion of multiple projects to comply with clients' tight time requirements while upholding quality and accuracy

Graphic Artist (2016 - 2017)

MORRIS PLAINS T-SHIRT FACTORY · MORRIS PLAINS, NJ

- Separated artwork into screens used to screenprint designs on apparel, often for multiple colors and layers per design, utilizing color-layering and trapping techniques
- Designed original logos and graphics based on client specifications or duplicated client-provided graphics to be screenprinted or heat-transferred on apparel
- Performed various front-of-house and clerical duties as needed

Graphic Designer (2014-2019)

TANZANITE PRODUCTIONS · LONG BEACH, NY

- Utilized existing and original graphics and textile patterns to design layout of clothing and materials with a focus on sportswear for musical artists and events, as well as for everyday wear
